

Member Spotlight

Welcome to our member spotlight! I hope this is a way to learn just a tidbit about some of the faces we see at WEC...enjoy!

Meet Polly Cappuccio the proud new owner of **The River Lily Inn Bed and Breakfast** in Daytona Beach. Polly has been a WEC member since 2001 and I really got to know her when she chaired the Wine and Dine 2 years ago putting her all into it and really brought the event to new level of elegance. Originally from Ohio Polly moved to Florida in 1971 to be with family and bring some freshness in her life. Polly has two children and her husband Art (who is our Wine and Dine musician!) of twenty years has two as well. After twenty six years with BellSouth, Polly got her Real Estate license and after four years started a brokerage. In the six years owning a brokerage, she was showing some hotels and came across the idea for a Bed and Breakfast! So ...she sold the brokerage and she and Art "went for it!" Polly loves the Inn because people that come to a Bed and Breakfast are looking for an adventure...she loves the people and especially loves the marketing aspect.

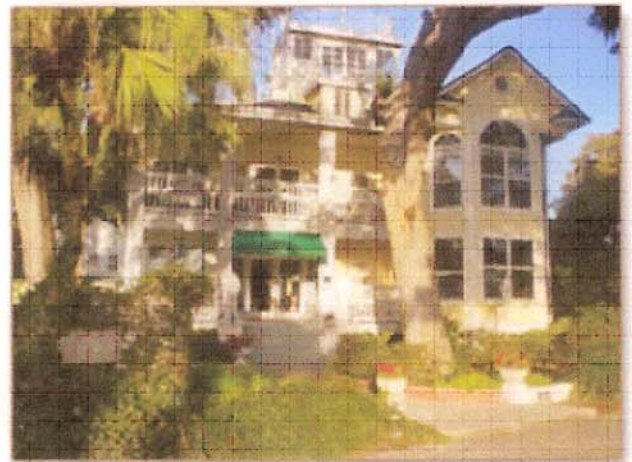

Why WEC? It is Polly's favorite group of the many affiliations she has because the women here all work to truly raise women to a higher level. "They are a great bunch of girls." The secret to her success she says is to try 100 percent...just try, even a little. You will still rise above the rest. Polly likes...

- to play cards
- invite friends over
- live music and theatre
- fishing on a boat
- favorite song: *Sunshine On My Shoulders*

-favorite movie: *Gone With The Wind*

Polly's words to live by, "Whatever you do, do it with integrity...never lower your integrity to get ahead".
